

June Meeting - Danny Saporito

June Meeting - Danny Saporito

Above, in foreground, is a red vinegar car, scratch built by Rich McGorty.

Rich also brought literature on the prototypes which he has researched on the Internet.

June Meeting - Danny Saporito

Roger Bossert displaying a remote controlled plane which he built and intends to incorporate, through use of a model airport, into his layout.

Club members listening to founding president Ray Shelton's talk

LIGRS founding president Ray Shelton recounting the club's history
